Student Name _____

EXTENSION ACTIVITY
CLARIFYING THE COLLEGE APPLICATION PROCESS

Use pages 34 - 40 in the IDEAS Handbook and additional resources, if available, to answer these questions for discussions.

If your school district has an online portal for college application and prep, enter the website here:
http://www. _____

Annotate this website and login credentials on your IDEAS Handbook on page 28 or 32 for your future reference.

Username: _____
Password: _____

Investigate the College Entrance Examinations (p. 33) and answer the following questions:

What are the different types of College Entrance Examinations? (p.34)
How can a student prepare for the College Entrance Exams? (p.34)
What is the Common Application Process for College and how does it work? (p. 36)
What else, besides grades and entrance test scores, is needed as qualifications for college? (p.37) Define College Readiness Plan – see Multilingual Concept Glossary.
When should you apply to college? (p.40)
What is a College Recommendation Letter? (p.40)

Next, review the sample Student Resume on p. 38 and fill in your information on page 39 as a template to build your own resume.
