

# IDEAS<sup>®</sup> FOR

## COLLEGE & CAREER

### READINESS PLANS<sup>™</sup>

Develop Life Skills and  
Pre-Professional Abilities  
in Middle and High School

The *IDEAS for College & Career Readiness Plans*<sup>™</sup> curriculum provides the needed resources to address the development of academic behaviors or key-learning skills, as well as the contextual skills and awareness for student success in high school and their transition to postsecondary education.

---

**IDEAS** helps students develop interpersonal, learning skills and techniques, transition knowledge and life skills. It also supports language arts, social studies, finance and more!

---

#### **FACILITATE CLASSROOM CONNECTIONS!**

Create a space for students to connect and explore together!

#### **DELIVER PARENT ENGAGEMENT SUPPORT AT HOME**

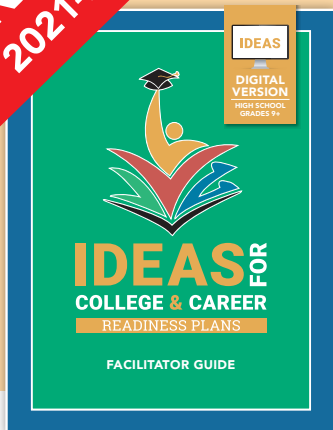

Provide a tangible resource to guide families wherever they're at!

The *IDEAS Student and Family Resource*:

- Helps clarify secondary and postsecondary options and how families can support their student(s)
- Includes ready-made presentations for in-person or virtual parent sessions

**NEW!**  
2021-2022

# IDEAS Digital (for High School)

- Unlimited access for all lessons and supports
- Ready-to-Go: On-demand lesson previews
- Links to online interest inventory and career explorations
- Support for FAFSA and college applications

IDEAS Digital site license can be upgraded to include Student Journals and Student and Family Resources as a special add-on package.
